

Resolved: I bought a copy of The Sims 4 on June 17th (disc version) for PC from the Gamestop store. I'm trying to register my game but it says serial code. I tried all the options and I can't register the game. Here's what I did. 1) I restarted my computer when it was idle but didn't launch/install the game. 2) I bought the game in the store 3) I tried to register my game, but I got an error saying that the serial code is . 4) I used my serial code to register my game on my computer. 5) I tried to install the game on another computer with Windows 8.1 x64 and I got the same error .
